SUMMARY

I build clean, fast, accessible websites with Next.js & Tailwind. I focus on clear UX, Web Vitals, GA4 events, and measurable outcomes for small businesses and startups across Ghana and the U.S.

CORE SKILLS

Frontend: Next.js (App Router), React, Tailwind CSS, shadcn/ui, Framer Motion

Performance & A11y: Web Vitals (LCP, CLS), Lighthouse targets, semantic HTML, ARIA

Analytics & SEO: GA4 events/funnels, Vercel Analytics, on-page SEO, sitemaps/OG

Tooling: Git/GitHub, Vercel, Netlify, Figma/Canva, Basic Node/TS, Form integrations

SELECTED PROJECTS

Infinity Lawns & Beyond: Local SEO + Site Revamp (Denver, US)

Role: Web Dev (Next.js, Tailwind). Built services IA, responsive components, image strategy, sticky mobile CTA, Google Analytic events.

Impact: +40% quote requests, LCPs mobile, bounce rate 10% on service pages.
Robin's Touch Senior Care Website

Role: Web Dev + UX copy. Clear care plans, trust cues, mobile first contact flow, performance budget,

route prefetch.

Impact: +35% form starts, longer time on Care Plans.

AgriConnect (ALX): MVP Concept

Role: Product/UX. User flows, low-fi wireframes, scope for SMS weather alerts + tips. Pitch assets prepared.

DFRENT: T-Shirt Brand Starter

Role: Brand + Web. Fast product pages, clean checkout steps, basic analytics and launch assets.

Green Beauty: Brand Concept

Role: Web/Brand. Image-led layouts, gallery pages, booking journey mockups.

PROFESSIONAL EXPERIENCE

Founder / Web Developer: Reech-Out Marketing Agency: Accra, Ghana· 2019 Present

Ship Next.js/Tailwind sites with a11y and performance budgets (LCP/CLS).

Set up GA4 events and simple dashboards for lead tracking; add SEO/OG basics and sitemaps.

Plan and run Meta/Google ads with focused landing pages and email capture. **Results:** +20% leads, LCPs on recent builds; improved conversion and clarity.

Content Writer (Web3/Crypto) Freelance: Remote · 2024

Wrote explainers, tutorials, and product updates with clear, SEO-friendly structure.

Collaborated with PMs/designers; delivered on short deadlines.
